The Turkish-Serbian Business Association is grateful for donations that were paid into the Association's accounts, which were opened on the occasion of the devastating earthquakes that hit a wide area of the Republic of Türkiye. This important gesture of solidarity represents another proof of friendship between the Republic of Serbia and the Republic of Türkiye. We greatly appreciate this act of solidarity, believing that it will have a positive effect on the further improvement of friendship and cooperation between two countries. The total donation amount of 128.667 EUR on the date of 27.02.2023 has been transferred to AFAD Türkiye accounts. Our accounts are active and we keep accepting donations.

We also would like to thank to our eminent members for their support and we look forward to our fruitful cooperation in the future.

The Association will continue to make its positive contribution to relations between these two countries and will continue to contribute to the improvement of the business and social community.

Best regards,
Turkish-Serbian Business Association
